A hand-drawn diagram illustrating a network structure. It features several nodes (represented by dots) and connections (represented by lines). The connections are color-coded: some are blue and others are green. The diagram shows a central node connected to several other nodes, with some connections forming a loop or a more complex structure. The overall layout is somewhat abstract, suggesting a conceptual representation of a network or a system.

---

This image shows a blank sheet of white paper with horizontal green lines. A single dashed green line runs horizontally across the upper portion of the page. The rest of the page is filled with solid green horizontal lines, typical of notebook paper. There are some faint pencil marks at the top left corner, possibly from a previous drawing or writing.

Hand-drawn sketch of a plot with dimensions and area calculations. The sketch shows a rectangular plot with a diagonal line. Dimensions are labeled: 280/48 (width), 222.48 (length), and 222.48 (diagonal). Area calculations are shown: 280/48 \* 222.48 = 62294.4 and 222.48 \* 222.48 = 49508.16. The total area is 111802.56. The sketch also shows a small rectangular area with dimensions 280/48 and 222.48, and a larger rectangular area with dimensions 222.48 and 222.48. The sketch is labeled with 'm2' and 'p'.

A hand-drawn sketch of a building layout. The sketch shows several rooms and corridors. A room on the left is labeled 'E'. A room in the center is labeled 'B'. A room on the right is labeled 'C'. There are also some numbers and other markings, such as 'K5' and '0'.

A hand-drawn diagram of a rectangular structure, possibly a building or a plot. The structure is divided into several sections. On the left side, there is a vertical dimension labeled '55' 1/2' with an arrow pointing to the left. On the right side, there is a vertical dimension labeled '263' 48' with an arrow pointing to the right. The structure has a series of horizontal lines and a diagonal line. There are some handwritten notes and symbols, including 'X' and 'O'.
